

Mastercam 1 on 1

MCAM NorthWest's "1 on 1" training is for an individual or company. This allows for us to focus your training on what you need to know about the Mastercam software. "1 on 1" training can be located at MCAM or on-site. All training is pre-paid.

Mastercam 1 on 1 - At MCAM:

This is custom training that is scheduled for a single customer. It is one instructor to one customer, hands on, up to 5 people from your company may attend. This training is scheduled by calling MCAM at 503-653-5332. The price is \$125 per hour and must be scheduled in 3 hour blocks.

Mastercam 1 on 1 -On-Site:

If you want the Mastercam 1 on 1 to be on-site and your business is located outside of a radius of 50 miles, then travel expenses may apply. We will bring extra Mastercam SIM's, projector and all necessary materials. This training is scheduled by calling MCAM at 503-653-5332. The price is \$125 per hour and must be scheduled in 6 hour blocks. All training is pre-paid.

Classroom To Go:

Laptop configured with full licensing of Mastercam and (1) motion controller. Ready for on-site custom training. The fee is per computer/ per day. \$50.

Design LT, Design, Mill Entry, Mill Level 1, Router, Lathe (2axis) & Solids (Foundation)

We recommend the Streamingteacher Subscription. The 1 on 1 program is not necessary. **(or)** for the Mastercam Foundation "1 on 1" training at MCAM or at a customer site we would recommend (30) hours of 1 on 1 - \$3,750.

Mill 2/ Router Plus: We will recommend a subscription to Streamingteacher for the foundation learning and then attending our 1 on 1 program. For Mill 2 we would recommend (6) hours of 1 on 1 - \$750.

Mill 3 / Router Pro: We will recommend a subscription to Streamingteacher for the foundation learning and then attending our 1 on 1 program. For Mill 3 / Router Pro we would recommend (6) hours of 1 on 1 - \$750. *Streaming teacher is a prerequisite to the 1 on 1 training, it includes advanced training for HST 3D Toolpaths.*

Lathe 4 Axis (Mill/Turn): We will recommend a subscription to Streamingteacher for the foundation learning and then attending our 1 on 1 program. For Lathe 2 axis we would recommend (6) hours of 1 on 1 - \$750.

Wire EDM: We will recommend a subscription to Streamingteacher for the foundation learning and then attending our 1 on 1 program. For Wire EDM we would recommend (6) hours of 1 on 1 - \$750.

Multi-Axis (always added to Mill Level 3 or Router Pro): We will recommend a subscription to Streamingteacher for the foundation learning and then attending our 1 on 1 program. For Mutli-Axis we would recommend (18) hours of 1 on 1 - \$2,250.

Art: We will recommend a subscription to Streamingteacher for the foundation learning and then attending our 1 on 1 program. For Art we would recommend (6) hours of 1 on 1 - \$750.

For questions or comments regarding our training, please email info@mcamnw.com or call 503-653-5332.
